SUPPLEMENT

1. Great attention is being paid to the improvement of the Bulgarian railway and road network. Railway workshops in Sofia and other places are being modernized.
2. Special Soviet commissions have arrived in Bulgaria with the object of improving communications and raising the output of the railway workshops. of these commissions the following have been

essor Babichkov, a railway director.  
 essor Bekhterev  
 essor Chudov  
 essor Gerasimov  
 neer Licher  
 neer Stefanenko  
 neer Rakov (or Rokov)

3. being introduced and work in some of the workshops  
 example, it is said that a locomotive can now  
 whereas before it took 45 days to do the same  
 now be repaired in 18 days instead of 60.
4. now also being produced by railway workshops,  
 machinery have been installed by the Russians.
5. Bulgarian and Rumanian high-tension electric  
 In particular, it is proposed to lay a  
 Giurgiu in Rumania and Ruse in Bulgaria.
